Dear Roger,

New Health Centre, Welbeck Road, Bolsover, S44 6DE

On behalf of Ashley House plc, I would take this opportunity to formally thank you and your team for producing a standard of workmanship in the new Health Centre at Welbeck Road for which we can all be very proud. It was a real pleasure to work with you and your staff and it is refreshing to encounter the pro-active philosophy coupled with the pleasant manner with which you carried out your obligations over the construction period.

The result was to see the enthusiasm with which the Practice and the PCT viewed the completed building at Practical Completion on Friday last, a week in front of programme.

It is always difficult to pick on one individual but in particular I would like to single out Andrew Newton whose obvious commitment and high personal standards contributed in no small way to the successful outcome. Please convey our thanks to him and I trust it will not be too long before we are venturing forth on the next project.

King regards

Yours sincerely

Peter Young
